EXAMINER'S AMENDMENT/COMMENTS

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows in the same manner as applicant has amended claim 11:

In the Claims:

In claims 8 and 9, line 2 of each, "at least" has been deleted.

Comments Regarding Applicant's Request for Interference

Applicant filed a request of interference on September 12, 2003 between the present application and application Serial No. 10/017,717 by Miller et al.

The present application has an effective filing date of July 17, 1998 which is more than either 3 months or 6 months from the effective filing date of Serial No. 10/017,717 of December 15, 2000. Based upon the difference in effective filing dates, an interference will not be declared. See MPEP 2303 "Interferences will not be declared between pending applications if there is a difference of more than 3 months in the effective filing dates of the oldest and the next oldest applications, in the case of inventions of a simple character, or a difference of more than 6 months in the effective filing dates of the applications in other cases...".

Applicant's patent publications are effective prior art against the claims of the '717 patent application. Because the '717 application has been published, Applicant may access and view the prosecution of the '717 application by way of the newly implemented public PAIR system.
